We've been servicing our customers, worldwide since 1980; we have vast knowledge and experience in the field of industrial pumps, but we're often asked, what makes Cougar Pumps different?

Take a look at our latest video to see what we think sets us apart within the industry.

Introducing the Pump Spotlight

Choosing the correct pump is no easy task, you may feel bombarded by industry terminology and the endless options in market.

That is why we're excited to reveal that we've teamed up with our Industry Partner, Grundfos to grant you with the '**Pump Spotlight**' designed to give you a deeper insight into different pumps from the Grundfos product range.

- Find out which pumps from the product range are best suited to your desired application.
- Determine the features of the vast Grundfos pump product range.

We will be bringing you one pump in the 'spotlight' every Friday, so keep an eye on the Cougar Pumps blog.
